BRIEF ABSTRACT OF LETTER.

Requests that, for reasons stated, P.O. no 1260 2-4 dd 13-6-14 declining to sanction the proposal of the Dist Bd to entertain a clerk on Rs. 50 p.m. to attend to the Dist Bd Railway Correspondence may be favourably Re-Considered

NOTES AND ORDERS.

1) The fresh reasons now urged by the Presdt. for entertaining the hand in question are (1) that the accn. of lands in Connection with Bowringpet-Kolar Ry is to be conducted by the Board itself; & (2) that the finances of the Dist Bd are satisfactory according to the made-up accounts

received by him from the Comptroller since the passing of the budget for the current year.

2) As for (1), it is understood that a separate Establishment under Dy. Com^r is to be entertained the Cost of this being ultimately debited to Dist. Funds but it is not known how the work of this Establishment will add materially to the Cost of the Dist.

3) With regard to (2) it is submitted that it is not any one year's finances that are to be taken into Consideration but the average of income & Expts for a year. And taking into account the latest of the 3 past years for which actuals are available it will be found as shown in the Statt given below that the expenditure exceeds the revenue:—

Year	Income	Expts
1910–11	103134	116816
1911–12	96701	97972
1912–13	390993	397764
Total	590798	612552
Thus the average	196,926	204,184

4) Further it has been ~~stated~~ intimated that the Cost of the land proposed should not be charged to the Dy. Expts.

1) There is much force in the Resident's arguments. Issue of debentures to the extent of four lakhs and acquisition of lands for a line of 52 miles in length are likely to throw substantial work on the St Board. Besides the arrangements for the levy of cess, opening of new accounts &c will make additional demands on the establishment. In these circumstances, a clerk on Rs 50 p.m. may be sanctioned for one year

Office of the President, District Board.
Kolar District,
Dated Kolar, the 15th August 1914.

From

P. F. Bowring, Esquire., J.P.,
President, District Board,
Kolar District.

To

D.M. Narasinga Rao, Esq., B.A., B.L.,
Offg. Secretary to the Government of Mysore,
General and Revenue Departments,
Bangalore.

Sir,

With reference to Government Order No.12602-4/L.B. 227-13-2 dated 13th June 1914, declining to sanction the proposal of the District Board to entertain a clerk on Rs 50/- to attend to the District Board railway correspondence, I wish to state in continuation of what I have already written in this matter, pointing out the necessity for the same, that we have now to acquire lands and pay compensation for the same over a distance of 52 miles.

This will entail very heavy work in the District office and I have not got the hands to attend to it.

We have also now to look to the issue of fresh debenture bonds in connection with the further loan of four lakhs. and the very heavy extra work that will be entailed on the office with reference to the levy of the railway cess in the District.

I may also add that my office will be considerably

handicapped if separate accounts are not maintained on account of the railway transactions and verified every month by the Comptroller along with the District Fund accounts.

As regards the observations of Government in para 2 of their Order under reference, I wish to invite reference to my letter No.194 dated 14th instant on the subject, wherein the stability of the Board's finances has been clearly explained. Further this small extra cost has been included in the Budget Estimates of the Board for the current year as sanctioned by Government to be met out of the railway income.

Under these circumstances, the Board beg to urge this matter again for they have provided the money for the undertaking, and I accordingly request that the Government will kindly reconsider the question.

I have the honor to be,

Sir,

Your most obedient servant,

President, District Board,

Kolar District.
